FREE Epilepsy Seminars

Every Month 3rd Friday – 2009

16th October, 20th November, 18th December

12 – 2 bring lunch, free tea, coffee

Suite 5, The Old Town Hall, 71, Bank Street.

Each Seminar will cover...

What is epilepsy? What causes it?

Who gets it? Types of epilepsy.

First Aid for different types of seizure.

Seizure Management. Recognition of epilepsy.

Social and educational implications of epilepsy.

Anti-epileptic Drugs, their use and management.

This course empowers you with the knowledge that you are doing the right thing if someone has a seizure in your care. It will help you recognize and understand all types of seizures.

Suitable for people with epilepsy, their whanau, teachers, carers, nurses, doctors, bus & taxi drivers and the general public. (Certificate of attendance given)
